- ▶ *Contact your dedicated account manager 7 days a week*
- ▶ *Work with your local workers compensation insurance specialist*

Industry-Recognized Workers Compensation Specialists:

Chief Insurance Solutions LLC had the honor of publishing an article in the May 2016 edition of HomeCare Magazine as an authority on workers compensation insurance for the health care and home health industry. The article offered a very informative and direct explanation of workers compensation insurance as well as the top 7 reasons to shop for new, competitive quotes. To request a copy of this article, contact us at info@chiefins.com.
