

The Lowest Rates:

Don't be one of the thousands of companies that overpay for coverage because they don't shop for new quotes. Chief Insurance Solutions LLC works with over 50 top-rated workers' compensation insurance carriers and our competitive quotes can save your business up to 45% off your premium.

Expert Brokers:

As workers compensation insurance experts, we are constantly keeping informed of any rate or regulation changes that might affect our clients. We use our expertise to secure the best coverage solutions to meet each employers specific operational and industry-specific needs.

Dedicated Service:

We believe transparency and integrity are key to building a valuable relationship with our clients. Chief Insurance Solutions LLC assigns each client a dedicated account manager for more personable and unwavering customer service. Our clients rely on us for prompt, friendly, and professional

ABOUT CHIEF INSURANCE SOLUTIONS LLC

Chief Insurance Solutions LLC is the #1 brokerage with a specialization in workers' compensation insurance. We have solutions for businesses of all kinds and all sizes across the country. As workers' compensation insurance experts, our advisors shop among over 50 A-Rated carriers to secure the lowest quotes on the market.

There are no fees for our quotes and no obligation to switch providers, so there is truly no risk, hassle, or harm in reviewing the coverage options we have to offer. If our quotes prove to be competitive and beneficial, we move forward from there.

Chief Insurance Solutions LLC was founded to make shopping for and securing the best workers' compensation insurance coverage as easy, affordable, and hassle-free as possible. We are committed to building a valuable and personable partnership with each one of our clients. While we cannot eliminate your need for workers' compensation insurance, we can help reduce the cost and hassle of overpaying for your coverage.

CONSULTATION

The insurance professionals at Chief Insurance Solutions, LLC are not "sales people." Our goal is to consult each clients individual needs and issues through our quotes, services, and additional benefits.

HELPFULLNESS

As a workers' compensation specialist, we have a wide-range of supplemental services, resources, and tools on risk management, workplace safety, payroll services, and more.

INTEGRITY

We believe transparency and integrity are key to building a valuable relationship with our clients. We are here to support the financial wellbeing of our clients, and we do everything in our power to make that goal become a reality.

EXPERTISE

We use our expertise in Workers' Compensation to shop with over 50 top-rated carriers and reputable PEO's for quotes. We offer flexible and customizable coverage solutions to fit the needs of each individual business.

FRIENDLINESS

Each client has ONE dedicated account manager for more personable and unwavering customer service. We don't volley our clients from one department to another for assistance.
